**The Falls Creek dress code** is designed to provide an equitable dress code for all campers, encouraging modesty above legalism. Parents and church leaders are urged to see that only clothing which meets the policies and regulations of the conference center (below) is brought to Falls Creek.

Since Falls Creek is a Christian camp with a distinctly Christian atmosphere, the New Testament principle of modesty should always be the standard for dress at Falls Creek. It is the responsibility of the sponsors from each church to model the standard of modesty and enforce the camp dress code.

**While on Falls Creek grounds campers may not wear apparel that exposes the midriff, is extremely tight fitting or has writing on the back of pants or shorts. Apparel may not display or promote tobacco, alcohol, controlled substances or inappropriate language or pictures. All shorts and dresses should be modest length. At Falls Creek, modest shorts are generally defined as shorts that have at least a five inch inseam or longer and dresses and skirts should be four inches from the top of the knee or longer. Slits in dresses and skirts should also be modest in length. Straps for shirts/tops must have at least three inches across the shoulder.**

## **Swimming Information:**

As weather permits, swimming will be available for all campers each afternoon during recreation time.

- While going to and from the swimming areas all campers must wear shoes; men must wear a t- shirt, and ladies must wear a long covering over their swimming suits.
- Knee length garments must be worn by all campers and sponsors to and from the swimming area. Those not following this rule will be asked to return to the cabin for proper attire.
- Modest swimming suits are appropriate while swimming. A dark t-shirt must be worn over two- piece swimming suits. Men should not wear tight fitting swimming suits.
- Lifeguards are responsible for safety and discipline. Anyone not observing the rules will be asked to leave the swimming area.
- There will be no running, shoving, or pushing in the swimming area.
- Each swimmer is responsible for his/her belongings. Swimmers should go directly to and from the swimming area (and not by way of the concession stands).
- There should be no need to carry money to the swimming area. All valuables should be left with someone at the cabin.
